A discussed this afternoon – info below.

Also, our Public Affairs folks informed me this evening that they talked with your PA folks about coordinating public releases; they are working up a plan that I assume will be coordinated with your PA folks, just FYI...

Talk with you in the morning.

Here is the information we promised on this afternoon's 1600 conference call:

Call in number for conference calls: Nonresponsive Conference Code

Conference call time: daily 1030 mountain time

SITREP reporting period: 24 hour 1100 to 1100

Sampling methodology being used: EPA methods 200.7 and 200.8

Sampling plan is being developed and will be provided when complete

Other future follow up:

We will reach out to UT BLM with information that they can use to inform rafting companies.

We will start developing a communication plan and share in draft for your input.

Results of fish study done by Colorado Parks and Wildlife will be shared with R6 and R9 when available
